Sexto response kit 1 - Explorateur

Description:

For legal reasons, the use of the SEXTO kit is reserved exclusively for Quebec's education sector personnel. In addition, its use must be the subject of a prior agreement between the police force that serves the territory where the school is located and the Director of Criminal and Penal Prosecutions (DCPP). Please note that an attestation badge will only be attributed to personnel at education institutions in a territory where such an agreement has been concluded. Before completing the training program, it is therefore recommended that you validate this information with your superiors or your police force...

Question 1 - What have I learned from the Sexto intervention method?

I know more about what actions to take when you are in possession of information about a person and you want to act legally and rapidly before calling the police. Sometime , you don't know where are the legal limits when you are aware of important information that could affect a child life.

Question 2 - What will this training change in my future interventions?

I will be more careful with the decision I will take and make sure I do what's legal to intervene and take care of a vulnerable student as quick a possible.

Question 3 – What will be my focus with the students when I have to intervene?

to provide prompt care for the victim and act rapidly to reduce the negative impact from those images or videos. To increase the sense of security among the teenager and parents. To stop the sharing pictures as early as possible. Limited the time frame for the dissemination of intimate images as fast as possible .
