Sexto response kit 1 - Explorateur

Description:

For legal reasons, the use of the SEXTO kit is reserved exclusively for Quebec's education sector personnel. In addition, its use must be the subject of a prior agreement between the police force that serves the territory where the school is located and the Director of Criminal and Penal Prosecutions (DCPP). Please note that an attestation badge will only be attributed to personnel at education institutions in a territory where such an agreement has been concluded. Before completing the training program, it is therefore recommended that you validate this information with your superiors or your police force...

Question 1 - What have I learned from the Sexto intervention method?

Not a lot, most of it is basically common sense. And after reading a few things on the training, it was easy to answer questions.
The videos explained very well what the procedure was.

Question 2 - What will this training change in my future interventions?

I'll be much more comfortable interacting with my students.
Less awkward situations and better execution.

Question 3 – What will be my focus with the students when I have to intervene?

Prevention will always be the best method, if the sitution has already happened
Then my job is to ensure the well being of the student, considering the cirsumstances.
