

Preuve et attestation de développement professionnel

Sexto response kit 1 - Explorateur

Description:

For legal reasons, the use of the SEXTO kit is reserved exclusively for Quebec's education sector personnel. In addition, its use must be the subject of a prior agreement between the police force that serves the territory where the school is located and the Director of Criminal and Penal Prosecutions (DCPP). Please note that an attestation badge will only be attributed to personnel at education institutions in a territory where such an agreement has been concluded. Before completing the training program, it is therefore recommended that you validate this information with your superiors or your police force...

Sexto response kit 1 - Explorateur

Question 1 - What have I learned from the Sexto intervention method?

It is methodical. Each case begins the same way, and the overall program works within the bounds of the school. Agents undergo the training which ensures consistency.

Question 2 - What will this training change in my future interventions?

I will act more thoughtfully and purposefully. I will also be better informed as to how to deal with these situations. I will act neutrally and methodically.

Question 3 - What will be my focus with the students when I have to intervene?

Follow the kit, be a neutral investigator and know that certain things (like the contents of a cell phone) are the work of police.
