# Sexto response kit 1 - Explorateur

Description:

For legal reasons, the use of the SEXTO kit is reserved exclusively for Quebec's education sector personnel. In addition, its use must be the subject of a prior agreement between the police force that serves the territory where the school is located and the Director of Criminal and Penal Prosecutions (DCPP). Please note that an attestation badge will only be attributed to personnel at education institutions in a territory where such an agreement has been concluded. Before completing the training program, it is therefore recommended that you validate this information with your superiors or your police force...

Question 1 - What have I learned from the Sexto intervention method?

The intervention method has been designed in a way that allows all school personnel to follow a step by step guide to help facilitate the situation. It's important for interveners to follow the steps in order to gage the seriousness of the specific situation. At no point should a school staff member look at the images. Following the intervention method allows the police and the judicial committee to investigate in a timely manner.

Question 2 - What will this training change in my future interventions?

If ever a student confides in me about the sexting situation. Following the steps in the kit will guide be to make informed decisions. The training made it clear what are my responsibilities and duties. I feel like have a specific set of questions helps the intervener gather relevant information without casting judgement on the victim.

Question 3 – What will be my focus with the students when I have to intervene?

Due the specific questions made available in the kit. My focus will be to the have the students involved follow the procedure and answer everything to the best of their ability. My focus will also not be on casting any judgements on the students involved, especially not the victim.
