Preuve et attestation de développement professionnel

Sexto response kit 2 – Architecte

Description:

For legal reasons, the use of the SEXTO kit is reserved exclusively for Quebec's education sector personnel. In addition, its use must be the subject of a prior agreement between the police force that serves the territory where the school is located and the Director of Criminal and Penal Prosecutions (DCPP). Please note that an attestation badge will only be attributed to personnel at education institutions in a territory where such an agreement has been concluded. Before completing the training program, it is therefore recommended that you validate this information with your superiors or your police force...

Sexto response kit 2 – Architecte

Question 1 - How can I summarize the steps of the Sexto method?

assess the intent: was there malice or was this impulsive?
complete the assessment with the witness, those who distributed the photo/video as well as those who requested the photo/video. Including, finding out if this has been distributed.
Confiscate phones that are said to have images on them.
Contact police so they can provide the last steps of the protocol.

Question 2 - What have I learned from the three situations presented?

I have learned that police need to be contacted, even if those involved have fully cooperated and if there was no malicious intent.

Question 3 - Which step do I find the most delicate when applying the Sexto method?

I find it difficult during the assessment with those involved, to ask about these private images. It can be a very awkward conversation.
